

WOMEN! HERE'S ONE

Says you save \$5 in an hour by dry cleaning everything with gasoline.

Dry cleaning at home is just as simple as laundering. Any woman can clean five dollars' worth in fifteen minutes at little cost by getting from the drug store, two ounces of gasoline and putting it in two gallons of gasoline, where it quickly dissolves. Then immerse articles to be cleaned, rub a little and in a few moments the gasoline evaporates and the articles look bright and fresh as new.

You can dry clean silk waists, dresses, coats, ribbons, kid gloves, satin shoes, evening slippers, shawls, belts, yokes, fur, coats, muffs, neckties, lawn, dainty and chiffon dresses, draperies, fine lace, lace curtains, woolen garments, in fact, any and everything that would be ruined by soap and water, as dry cleaning doesn't fade, shrink or wrinkle, making pressing unnecessary.

Your grocer or any garage will supply the gasoline and you can obtain two ounces of solvent at the drug store, which is simply a gasoline soap. Then a wash bottle or large dishpan complete, your dry cleaning outfit.

C. O. MURPHY ELECTED TO LEAD

By Rev. Daniel Mullen Assembly, K. of C.—Succeeds Dr. T. A. Crowley Who Has Had Successful Year as F. N.—Rev. W. A. Keefe Describes Trip to the West to National Council.

CHARLES O. MURPHY, Elected F. N.

The Rev. Daniel Mullen assembly, fourth degree section, Knights of Columbus, held its regular monthly meeting Sunday afternoon in the council chamber of White Cross council, No. 13, in the Sunlight building. The large attendance included, in addition to members from this city, members from Putnam, Moosup, Central Village, Plainfield, Jewett City, Baltic and Tatfield. Supplementary to the regular routine business, the annual election of officers was held.

The board of officers for the ensuing year is as follows: F. N. Charles O. Murphy, F. C. Frank J. Murtha; F. M. Dr. T. A. Crowley; F. P. Frank T. Diggins, compiler; Joseph E. Burns; I. S. Jeremiah J. Connors; O. S. Charles V. James.

Dr. T. A. Crowley, who was the presiding officer for the past year, was given a vote of thanks for the efficient manner in which the affairs of the assembly had been conducted during his official term.

At the close of the business session, the members listened to an instructive and inspiring address by Rev. W. A. Keefe of Plainfield on America. Father Keefe was a member of the Connecticut delegation to the supreme convention of the Knights of Columbus held last August in Seattle. In his usual eloquent manner he gave a most enlightening description of some of the

natural beauties of the great western sections and paid a splendid tribute to the enterprise and progressiveness of the people of those states through which he traveled in his journey to the coast. The great fund of information which he had concerning the industrial activities of the various sections of the country that he visited showed that he was a keen observer of conditions as he found them. He spoke in glowing words of the grand work that is being done by the order of the Knights of Columbus as outlined at the convention, and in terms of highest praise of the officers who are so successfully directing the affairs of the organization, paying a special tribute to the efficiency of Connecticut's representative on the national board of directors, William J. Mulligan, of Thompsonville.

In his closing remarks Father Keefe commended the recent activities of the citizens of Norwich in their endeavors to promote the growth and prosperity of this city by providing accommodations for the increase in population which is expected in the near future, and compared the spirit of the movement to the civic loyalty which had made the great cities of the west possible.

At the close of his address the speaker was enthusiastically applauded.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

IF CROSS, FEVERISH OR BILIOUS GIVE "CALIFORNIA SYRUP OF FIGS."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, listless, restless, eating and acting naturally—look! Mother! see if tongue is coated. This is a sure sign its little stomach, bowels and bowels are clogged with waste. When cross, irritable, feverish, stomach aches, breath bad or has stomach-ache, diarrhoea, sore throat, fall of cold, give a teaspoonful of California Syrup of Figs, and in a few hours all the constipated poison, undigested food and sour bile, gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother, can rest easy after giving this harmless "Fruit Laxative," because it never fails to cleanse the little one's system and bowels, and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then read that it is made by the "California Fig Syrup Company."
